QATAR ISLAMIC BANK (QIB)

REQUEST FOR PROPOSAL (RFP) - TENDER NO: QIB-IT-2026-RFP-09

Core Islamic Banking & Lending Modernization Platform

1. Executive Overview & Submission Instructions

Qatar Islamic Bank (QIB) invites qualified enterprise core banking vendors to submit technical proposals for its next-generation Islamic financing, lending, and Shariah governance transformation. All responses must adhere strictly to AAOIFI guidelines, provide detailed source references, and classify requirements into standard compliance levels. Commercial proposals must be kept segregated from technical questionnaires.

2. Technical & Functional Questionnaire

Req ID	Section / Category	Requirement Specification	Type	Format
REQ-FN-01	**FUNCTIONAL** Section 1: Murabaha Engine	Does the platform support automated Murabaha commodity broker integration and Shariah asset sequence validation?	**MANDATORY**	CONFIRMATION
REQ-FN-02	**FUNCTIONAL** Section 1: Islamic Financing	How does iMAL manage Ijara asset ownership, insurance takaful, and variable profit rate repricing?	**MANDATORY**	EXPLANATION
REQ-SEC-01	**SECURITY** Section 2: Security & Governance	Does the solution provide an immutable Shariah audit trail and separate non-halal income purification accounting?	**MANDATORY**	CONFIRMATION
